

# ALL In Worship

---

*The upside-down principles of worship*

*Acts 16:19-30*

**Theme:** “What does it mean to worship in spirit and in truth? It simply means that we are to worship rightly with both our mind and our heart. You worship in truth when you worship the one true God and when you know who you’re worshipping and why. God has put in us the sense, the awareness, that there is more to this world than we see, feel, taste, or even imagine. This morning I want to share with you some lesson I have learned about worship.”

**1. God wants us to \_\_\_\_\_ Him.**

**2. Worship the Lord even when you \_\_\_\_\_  
like it.**

**3. The world will only change when it comes face to  
face with \_\_\_\_\_ worshipping \_\_\_\_\_ like  
this.**
